"Soar with the Eagles"

June 11, 2012

Principal: Mary Evans
Secretary: Sandra Jenkins
Phone Number: 488-3561

Last Day of School

The last day of school will be **Thursday, June 21st**.
There is **NO SCHOOL** on Friday, June 22nd.
Thursday will be a regular full day. Buses will leave the school at their usual afternoon dismissal time.

Field Trips

On Tuesday, June 12th the Grade 3-5 students will be going to Oromocto for Track and Field.

Reminder: Please remember to send sunscreen and water with your child for this event. Also please remember to wear sneakers not flip flops or sandals.

On Tuesday, June 19th the Middle Level students will be going to Magic Mountain. The rain date for this event is Thursday, June 21st.

Middle Level Tie Dye

Middle School will be doing tie dye on June 18th. Cost for this activity is \$1.50 per student.

Tie Dye T-Shirts

It would be great to see all the students who made tie dye shirts in the noontime clubs, wear their shirts for our Year End BBQ and Fun Day.

Young Citizen video contest

Mackenzie Scott is involved in the Young Citizen video contest, from winning at the District Heritage Fair. The voting begins today, there will be a "like" button for voting on this page. The voting continues all summer until midnight August 7th - so please remember to keep voting.

The top 2 students per province continue on to the national finals where they are judged by a panel. From that, the top 6 finalists win a trip to Ottawa in the fall to participate in Heritage Canada activities. Many, many, steps - let's see how far she can go!

Grade 8 Orientation at OHS

On May 17th, our grade 8 students made a special trip to Oromocto High School for a transition meeting and a tour of the school where they will be spending the next 4 years. While there, they were given the opportunity to ask questions and to express any concerns. A slide and video presentation enlightened them about the many features of High School. Academic expectations were explained with some excellent questions asked by the students.

There was a great deal of excitement, as well as some apprehension. Grade 8s feel confident that you will work hard, become involved and succeed.

Thank you

The Rec Council would like to do a "Shout Out" to the Middle School for their help with the bottle drive on May 26th. Students did a fantastic job, and we are pleased to donate \$300 to the Middle School to kick start their fundraising for next year. There were many, many students who stood out in their hard work...but special accolades go out to: Hunter and Abby for being veritable sorting machines for hours on end, and Rebecca, who both sorted and provided impromptu childcare for smaller children for the entire day which allowed their parents to sort more! Thank you so much everyone!

Library Books

The Library is now closed for the rest of the school year. Please return any Library books that you may have at home.
